

TACKLE

HUNGER

Donation Form

Please accept the enclosed donation to help support the efforts of your organization. This contribution is part of Souper Bowl of Caring, a youth-led initiative to fight hunger and poverty in local communities across the country.

Each year on the weekend of the big game, youth armed with soup pots collect donations at local churches, schools and businesses. Every dollar is sent directly to a nonprofit selected by each group.

We are pleased to select your organization as the recipient of our Souper Bowl of Caring collection, and we wish you continued success in all you do.
